SUMMARY

With a Bachelor's degree in Computer Science and two internships, I am eager to join your team as a Software Engineer. My experience in developing reliable, mission-critical software and proficiency in object-oriented programming languages equip me to solve real-world problems effectively. My proactive leadership, dedication, and technical acumen make me an ideal candidate to contribute and exceed expectations.

PROFESSIONAL EXPERIENCE

Software Engineering Intern   08/2023 - 11/2023

VSN Techs

- Successfully transitioned the company from outdated data processing methods to advanced AI-driven solutions.
- Successfully integrated APIs to increase efficiency and usability.
- Extensively used Python to enhance the codebase.
- Achieved a 20% reduction in load times for key software applications by optimizing existing codebase by focusing on efficient algorithm use.

PROJECTS

Data Processing AI Model

A sophisticated data processing model using Python, integrating multiple APIs to aggregate and preprocess raw data from various sources. The model leverages AI algorithms to transform the data and perform syncronized search.
🔗 https://github.com/Gaurrav7Yadav/Data-Processing-AI-Model-

Django CRM

Implemented CRUD operations to manage employee data using Django, ensuring efficient data handling and a seamless user experience through Django's ORM and form handling features.
🔗 https://github.com/Gaurrav7Yadav

Portfolio Website

Created a dynamic portfolio website using HTML, CSS, and JavaScript, leveraging these skills to design and implement interactive and visually appealing elements.

SKILLS

Python · Django · Machine Learning · Natural language processing · Git Bash · C++ · HTML ·

CSS · Javascript · mySQL · Leadership · Wordpress · SEO · Problem Solving

EDUCATION

Bachelor of Technology, Computer Science

Vellore Institute of Technology

06/2021 - 03/2025   VELLORE

High School

Sanskriti School

05/2021   New Delhi

KEY ACHIEVEMENTS

Captained in Subroto Cup Final

Captained my school football team to the Subroto Cup final, demonstrating leadership, grit, and commitment by leading from the front.

Qualified for SSB Interview held by UPSC

Worked diligently to advance to the interview round of UPSC SSB, successfully qualifying all previous stages and showcasing my knowledge and team-building skills.

Senior Core Member

Senior core member of E Cell at VIT Vellore, successfully organizing multiple events with over 1,500 junior members, demonstrating strong leadership and organizational skills.

CERTIFICATES

⭐ **LOR from CTO**

Received a Letter of Recommendation from CTO Zetpeak for accelerating project deadlines and enhancing user satisfaction by 30% through optimized solutions and technical expertise.

⭐ **Google Analytics Certificate**

Completed the Google Analytics beginner course to become a certified Google Analytics professional, gaining foundational skills in data analysis and reporting.
